

ARCH FEST SPAGHETTI EATING CONTEST RULES/INDEMNITY/ENTRY FORM JESUP ARCH FEST - OCTOBER 25, 2008

RULES

- 1) Entrants must sign an indemnity against any indigestion or stained clothing. Standard City of Jesup Indemnity also applies. (See note below)
- 2) The contestants will be given 5 minutes to consume as much spaghetti as possible. The winner will be the contestant who consumes the most spaghetti in the time allowed.
- 3) Each contestant will be given 1 plate of spaghetti at a time, and will be given a refill plate once the current plate has been completely cleared of spaghetti and sauce.
- 4) All decisions by judges and organizers are final. Including the decision of when a plate is cleared.
- 5) Each plate of spaghetti will have the same weight, and each plate consumed will be added together. The final plate being consumed when time is called will be weighed and this weight will be deducted from the beginning weight.
